

Arithmetic Competition Rules 心算比赛规则

1. Scoring System 计分标准

Each correct answer is awarded 1 point. No points will be given or deducted for incorrect, unanswered, or incomplete answers.

每答对一题得 1 分；答错、不作答或答案不完整者，不得分，也不扣分。

2. Changing Answers 更改答案规则

If participants wish to change an answer, they may erase the original answer with an eraser, or cross it out with a single line and clearly write the new answer below it.

如需更改答案，参赛者可使用橡皮擦擦除原答案，或以单线划去原答案后，在下边清楚写上新答案。

3. Handwriting Requirements 书写规范

All answers must be written clearly and completely. Any answer with handwriting that is too messy for the markers to read, or any question with two or more answers, will be considered incorrect.

所有答案必须书写清楚、完整。凡字迹过于潦草，导致评分员无法辨认者，或同一题出现两个或以上答案者，一律视为答错。

4. Answering Sequence 作答顺序规定

Participants must answer the questions according to the sequence of the paper and are not allowed to skip questions, pages, or sections.

For example, if a participant answers up to Question 20 and then jumps directly to Question 41, only Questions 1 to 20 will be marked. All skipped portions thereafter will automatically receive 0 marks.

参赛者必须依照试题顺序作答，不得跳题、跳页或跳卷。

以“跳题作答”为例：作答至第 20 题后直接跳至第 41 题，评分员仅评阅第 1 至第 20 题，其后跳答部分一律以 0 分计算。

5. Competition Time Rules 比赛时间规定

Participants who begin answering before the competition starts, or continue answering after the allotted time has ended, will be penalized 20 points.

比赛尚未开始前抢先作答，或比赛时间结束后继续作答者，一律扣 20 分。

6. Special Rules for the Abacus Competition (Round 2) 珠算比赛特别规则（第二场）

In the second round, participants must use an abacus to perform all calculations.

Any participant found using mental calculation only, or shaking the abacus as a method of calculation, will receive 0 marks for the round.

第二场珠算比赛中，参赛者必须使用算盘拨珠进行计算。

凡以心算方式作答，或以摇晃算盘等违规方式计算者，该场成绩一律以 0 分计算。
